

Licensed Mental Health Therapist LCSW, LPC, LMFT

TherapyStory, Bloomfield, NJ

TherapyStory, is a group practice in Bloomfield NJ. We are seeking a full-time Clinical Psychologist, Clinical Social Worker, or Professional Counselor to join our growing and diverse team.

About Us:

The team at TherapyStory prides themselves on being able to meet their clients where they are to help them navigate their story. Our growing team of diverse clinicians have an array of specialties based in perinatal mental health, couples work, and hypnotherapy to ensure we can support our clients and shape the clinical process specific to each individual's needs. We also work within the community to collaborate with local businesses to create a network of support outside of our practice to further sustain our clients' healing. TherapyStory believes that part of healing is looking at narrative with patience and allowing ourselves to nurture and care for ourselves so that we can continue to write our ever growing and evolving story. TherapyStory is a home for you if you desire a place to grow, connect, and utilize your own creativity to contribute to the growing services offered in the practice.
